

A day in the life of Class 1

We like to invite our families to stay with us in the morning to do some little activities to start the day off. When our family members leave at 9am the fun begins!

We all like to gather together to do a quick registration, share our news and make sure we have all ordered our lunch. Then we set off to our Dough Gym and Funky Finger sessions. This is to develop our fine and gross motor skills.

Check out how much fun we have.

We then get involved in lots of fun activities during the course of the morning before splitting in to smaller groups to work on some tricky mathematics and literacy.

We all enjoy our lovely lunches provide by Dolce and the lunch staff look after us well.

After lunch we say goodbye to the nursery children and the reception join the rest of the school and explore in the large playground.

Reception come back into class at 1pm where we learn about music, science and various other topics.

Our afternoons are very busy and we end the day with reading our favourite stories and singing a selection of songs.

This could be reading it together before bedtime or, in time, a little phonics books that they can read by themselves. We would like you to read/share a book with your child at least 5 times a week. They will be given a reading record which they will need signed to show they have read 5 times. Please get your child to show an adult their reading record every morning so we can move their book worm up the Strive for 5 chart. If they achieve this, a small prize will be given each week.
