KS2 Narrowing the gap

School:

Derwent Vale Primary & Nursery School

DFE Number 2707

Year 2013

Cohort 8

1 pupil equals 12.5%

Narrowing the gap Free School Meals

FSM Cohort 1

Free School Meals are those pupils who are 'eligible' for free school meals in the January School Census

Good performance is demonstrated by a small percentage gap. A positive percentage indicates non FSM or non SEN are performing better than FSM or SEN children, while a negative percentage indicate that those pupils who are FSM eligible or SEN performed better.

N.B. If SD, number of children who are eligible for free school meals or have been identified as having special educational needs in the school are too small

N.B. If NA data is not available

These tables and graphs look at the percentage points between pupils who are identified as being SEN or FSM and their peers (pupils who have not been identified as having SEN or FSM)
