

We're really excited to invite you to get involved in a special **#YVatHome** project over the next few weeks!

Young Voices, the current Guinness World Record holders for the world's largest simultaneous sing are staging the the World's Largest Children's Choir at Home for a record breaking **#PowerInMe** Singing Challenge and dedicate it to all our teachers.

On 2nd June 2020 - you are invited along with families and children from across the world to pay tribute to all teachers by joining together to sing **"The Power in Me"** from the safety of your own homes.

You can register your involvement at youngvoices.co.uk/powerinme to access learning resources for the song. More importantly - we are asking you to share this email with your parents and children to get them directly involved.

In the weeks leading up to the main event on 2nd June, you are encouraged to take part in the **#PowerInMe** singing challenge and to film yourselves singing the song's lyrics "I've got the Power In Me" and post it online with the hashtag to see who responds completing the song's chorus "You've got the Power in You!".

It is all explained [**here**](#) by David Lawrence and Francisco Nunez.

There are also a series of online workshops to prepare you for the big day:

Tuesday 12th May 4pm **UK/11am EST** - 'Conductor Swap' - **David Lawrence** runs an online rehearsal/workshop for children in the US
