Multi-Use Games Area (MUGA)

The children might have already mentioned that there has been lots of activity going on in the school grounds this week. The installation of our new Multi-Use Games Area (MUGA) has started on part of the school field. We will be able to use it for a variety of sporting activities during P.E lessons and at play times and lunch times all year round and we are very excited to see it when it is finished. Look out for further updates over the next couple of weeks. A big thank you to our fundraisers for donating some money towards the MUGA.
